Cap'n Bud's Rowboat Docks On April 30

Minstrel Show Rehearsals Start; Tickets Go On Sale Monday

Star studded, Captain Bud's Rowboat will dock at the Frederic Burk Auditorium on Friday evening, April 30. The annual minstrel show is scheduled to start at 8:15 p. m.

Helen Louise Cox, singing star of the California's Hour and the Varsity Varieties Programs will be one of the featured vocalists. She will be accompanied by a minstrel chorus of sixteen voices being trained especially for this show.

Two featured instrumentalists will have important spots on the program. Jack Jay Martin and his banjo will be featured in several numbers and Lee Scarlet will be heard in a vibrophone specialty.

Rehearsals started last night with Bud Decker as the interlocutor and general director of the minstrel show. Ed Cockrum and Vernon Reese will be the end men in the comic chorus of ten voices.

Tickets will go on sale Monday at 35 cents each. Dawn Wilson is chairman of hostesses and ushers; Howard Demcke, chairman of publicity; Patricia MacNamara, chairman of tickets. Howard Brubeck is general music director.

Low Freshmen Sponsor Noon Hop

Members of the Low Frosh Class will be hosts today at the Noon Day Dance. According to reports, this class has been the most active class of State College. George Peters, Low Freshman President, stated that today's dance will undoubtedly be one of the greatest successes.

FLASH ! !

By JIM MARTIN

San Francisco State College defeated San Francisco Junior College in a baseball game yesterday. The final score was 13 to 4. A nine run lead in the opening innings was held throughout the game by the Purple and Gold. The Junior College was scoreless up until the 8th inning. In the last inning they bunched hits to score four runs. Ru Stone pitched for San Francisco State.

Survey of Candidates in Presidential Race Started

By Louise Vallarino

Editor's Note: This is the first in a series of unofficial stories on possible candidates for student body offices at the coming election. The survey of candidates is being made merely to aid the readers of the paper and has no official bearing whatsoever.

When the student body election is held in the near future, the voters will probably discover the name of Erwin "Bud" Decker as one of the candidates.

Always interested in student government, Bud Decker has held one major office in the studenty body set-up and several minor ones. At present he is head yell-leader and is a member of the Strategy Committee directing the fight to secure the $2,380,000 appropriation from the State for new buildings.

His unofficial declaration of intended candidacy was made several weeks ago.

At the present time he is in charge of the Minstrel show that will be staged on the campus at the end of the month.

"Although my policies are in definite form, I don't believe it is wise to disclose them at this time," declared Decker today. "However, I am resolved to give this college an outstanding administration if I am elected president."

A. M. S. Plans For Tag Day Completed

Friday, April 16, has been designated as the Associated Men Student's second annual "Tag Day". Proceeds of the affair are to be used, as they were last year, for the improvement of Roberts Field.

Over forty dollars profit was realized last year and Vernon Rees, A. M. S. president announced today that he feels confident that this year's efforts will be even more successful.

A prize is being offered to the person selling the most tags. They will be sold April 14, 15 and 16. A dance in the Women's Gym, featuring Joe Rosen's Rhythm Kings will be held on the evening of the last day of tag sales. Admission will be one tag plus ten cents.

Students interested in selling tags are asked to see Bill Ferem, sale committee chairman.

Alpha Phi Initiates at Party

An informal initiation was held by the members of Alpha Phi Gamma last Saturday evening at the home of Juanita Gregg, past secretary of the chapter. The candidates initiated were Dorothy Fox, Robert Chamberlin, Nola Keller, Cliff Worth, Max Williamson, and were put through their paces by the officers of the Fraternity. Elsa Magnus is president of the group and was assisted by Bill Smith, Bob Barry, Stan Sieber, and Clarice Dechent. After the initiation, a social was held.

Student Opinion On Tri-Weekly Sought By Board of Publications As Dechent Orders Survey Taken

In an attempt to gain the student body's view point on the present tri-weekly publication of the Golden Gater, the Board of Publications ordered a survey of student opinion taken. Clarice Dechent, Director of Publications, appointed Bill Rose a member of the Board, to conduct the survey.

The tri-weekly Golden Gater was instituted at the end of last semester as an experiment and has been continued up to the present time. However, during the last few weeks two factions have arisen, those supporting the present Gater and those advocating the return to the bi-weekly. The Block "S" as an organization has already gone on record as being in favor of a twice weekly publication.

Some members of the student body lay the possible failure of the paper to the shortage of news sources, maintaining that State is not yet big enough for so many issues of the Golden Gater. Those on the other side of the fence feel that if there is a weakness in the Gater the fault is in the inadequacy of the staff. The editors have very few actual reporters for assignments, according to Editor Williamson.

Smith Shudders Drops of Rain Do Dirt *Fair Plans Fizzle*

By TIM GUINEY

"Hello . . . hello . . . yes, this is Will Smith. No, no, I don't think we'll have it. Yes, it does look like it will rain all night. Wel, I'm sorry. Well, is it my fault if it rains? All right, then, stay away. Goodbye!

"Gosh, the way these people . . . Hello. Yes, yes . . . W. J. J. speaking . . . The Fair? No, we won't have it tonight. It'll be next Monday instead. Well, gee, I didn't know it was gonna rain. What, poke the weather man? H-mmmm, I'll think about it . . . yeah, I will . . .Yeah? Well, the same to you, you phoney . . . phooey! Honest, everything happens . . . Hello . . . Yes, this is Smith . . . Yes . . . yes . . . yes . . . yes . . . no . . . can I help it? Gee, I'm going screwy . . . yeah, nuts to you too. Gee . . .

"Maizie! Maizie! . . . Take the phone . . . I'm going down the street . . . . . I'm desperate . . . I'm going to down a . . . a gallon of sasparilla, and drown my woes in drink! . . .

Thespians Gather; Discuss New Plays

Members of Play Production Class held a meeting at Miss Casebolt's home last Sunday evening and discussed criticisms of extemporaneous plays that have been produced by the students in the course.

Important developments in the drama department are the naming of the people successful in their tryouts for Dulcy, next play to go on the boards for College Theatre. Among those who were picked include Dorothy Pearson, Blanche Tovey, Sarita Caneda, Patricia McNamara, Bennie McMillan, J. W. Gallagher, Alex Pellet, Harold Jacobs, Bob Prather and Al Sheperd.

Miss Lind and Miss Crawford of the State Education Department spoke to the advanced play production class about having members of College Theatre appear in radio skits presented over N. B. C. each Saturday afternoon. Mrs. Veth, representing Federal Theatres, also spoke last Monday at the advanced play production class and gave a brief talk about "The Emperor Jones" given by Marionettes. In this famous O'Neill play, Ralph Chesse will read the title role. Interesting is the novelty of a revolving stage very seldom used in modern play productions.

A. P. G. Fair Postponed Affair Held April 12

Inclement Weather Calls Halt to Intercollegiate Extravaganza

—Bulletin—

Alpha Phi Gamma's Intercollegiate World's Fair will be held next Monday night, April 12. The decision was reached last night by Will Smith, general chairman of the Fair.

San Francisco State's Intercollegiate World's Fair was postponed due to inclement weather. With final plans almost completed the fair was put over when rain began to fall early in the afternoon.

Practically all of the original features will be retained when the fair is presented in the future. The drill competition will be enlarged with the additional time given many more teams a chance to enter.

The torch relay, one of the oustanding events scheduled for the fair, will also be retained. The relay was scheduled to start at the World's Fair building on Bush Street and be run through the streets of downtown San Francisco to the Fair grounds at Roberts Stadium.

Tickets for the original date will be honored when the date for the Fair is finally set.

Varsity Varieties Schedule Changed

San Francisco State's Varsity Varieties program will reach listeners at a new time in the future. The program originally scheduled for this Friday night will be cancelled. Details of the new time and line-up of talent will be announced in the near future.

No radical changes in the program set-up are planned. Will Smith, former editor of the Golden Gater, will remain as Master of Ceremonies. Helen Louise Cox, finalist in the California's Hour, will also continue on the program as the singing star.

"We are still on the lookout for specialty acts," declared Bill Buchan today, "we plan to feature this type of acts in solo parts on the program."

Phil Ford, tap dancer, will probably be given a permanent berth

Chamberlin's Tripe

By Bob Chamberlin

Well, lads 'n' lassies, two or three combines had agreed to scribble this column, but suthin's gang agley . . . here it is two hours past deadline and no copy in. So . . . it's still tripe.

There are a few bids in for the dubious honor of shoveling the scum for the Friday sheet . . . whether they'll turn up or no is beyond me. I would, though, suggest that those who have felt that the field of journalism would be a better place should they take over or augment this stuff that we now print, at least get in something to avoid that blank space on the feature page.

* * *

Our precious savant, the little feathered one, has imparted the information that Bob Mason has given up the pursuit of knowledge in favor of the open sea . . . soon, he thinks, he will sail away. Rita Sadler has also announced, perhaps not seriously, that she will leave our portals for good.

* * *

Funniest thing of the week: Bill Rose in his most erudite manner, giving lessons on how to make a fruit cordial.

* * *

Runner up: Mike Driscoll telling of his (mythical) twins . . . and how they take up his time . . . and weighed 8 pounds when born . . .

* * *

The French Club has turned out to be a Frankenstein for the now-bewildered Madame Dony. Seems that she went into a hurried retirement from the wayward organization when they stopped speaking French. Now that the revolt has taken place splitting the ranks into rival factions . . . both of which have a dogmatic conception of how the thing should be run . . . poor Madame Dony is in a quandary . . . should she step in and mend the ways of her locoed brainchild . . . or let it work out its own destiny?

* * *

Dot Mantell, she of the painful hobble, claims she was pushing a car and got her ankle caught in the mud . . . your reporter will bet it was one of two other things . . . one being a fall from a horse.

* * *

Too bad about the rain spoiling the A. P. G. Fair . . . but it'll go on next Monday . . . so stick around.

* * *

Two old-timers who should know better have been repeatedly noticed making gogely gah in the halls . . . we mean Ned and Mickey . . . for shame, children . . . you've been together too long for that!

* * *

Two people whom I could leave alone for hours or days, and trust implicitly not to be bad . . . Bob Barry 'n' Helen Eichelberger.

* * *

There should be a pretty swell reception for a pretty swell gal about now . . . Dottie Jean White . . . late of Alta Bates Hospital now getting used to life without an appendix . . . she'll be back today or tomorrow . . . hiya Dottie?

* * *

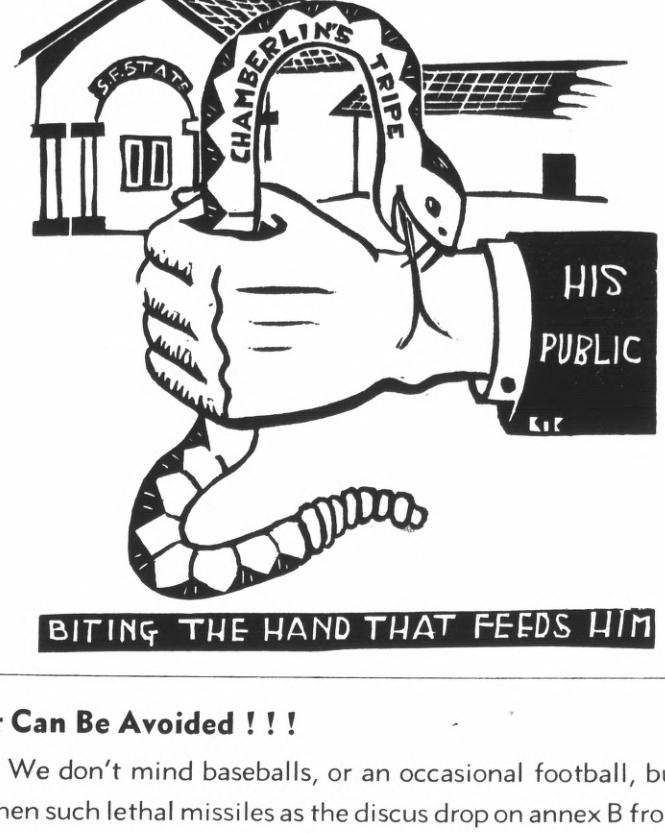
What's happened to that prize couple Jim Seabright and Elizabeth Burton? . . . and why has Don Pidgeon gotten so swell-headed about his accomplishments at the Geary Theatre . . . ? Dick Marsh has changed . . . once he didn't used to crack books much . . . now he fairly eats 'em.

* * *

We get quite a snicker out of the A. P. G.'s who took time out to ride Dobbin barebacked and bouncy down at Roberts Field last Sunday . . . and are now walking in a manner suggestive of painful posteriors . . . heigh-ho horsepeoples . . .

* * *

The Gay Lothario of Pub office has a bit of an April Fool's day experience . . . seems some gal friend of his 'phoned him from Calgary, Canada "just to say hello" and forgot to reverse the charges . . . Stan can't figure it . . .



It Can Be Avoided ! ! !

We don't mind baseballs, or an occasional football, but when such lethal missiles as the discus drop on annex B from the upper field there is real danger to life and limb. Fortunately no one has been injured by the discus when four or five times it has jumped over the fence. That was pure luck.

It seems perfectly obvious that the heads of this college would not leave such a thing to chance. No one has yet been hurt, but would you like to stand under a metal discus dropped at the height it would fall from the top of the fence to the lower walk? It would very easily kill someone if it hit the right spot.

For three semesters complaints have been voiced to the administrative authorities of this college. Promises to remedy this situation were received, but continually we receive these missiles of steel from the upper field. Those regulating the practice of the discus throw upon themselves the responsibility for the possible injury or death of students on the campus by allowing this to continue.

The students responsible for such mishaps when questioned explain their predicament. They can not practice on the lower field because of danger to students of the training school. The upper field is the only clear one, and there, due to an occasional slip of the hand, once or twice a semester something is thrown over the fence. It is a choice then, who shall be hurt—a member of the training school or a member of the student body.

If it is impossible to practice anywhere else on the campus would it not be advisable to spend a fraction of the practice time and traverse to Roberts Stadium, the true place for such activities, and save a life? Can a hand that slipped be a satisfactory excuse for the loss of a life?

Gleanings

By Clarice Dechent

We don't remember where this came from, but we thought it reasonably clever:

A kiss is always a pronoun because "she" stands for it. It is masculine and feminine gender mixed, therefore common.

It is a conjunction, because it connects.

It is an interjection; at least it sounds like one.

It is plural because one calls for another. It is singular because there is nothing else like it.

A kiss can be conjugated, but it is a preposition because it governs the objective "case".

However, it is not an adjective, because it cannot be compared, but it is a phrase that expresses.

It is never declined.

* * *

Fifteen years ago, readers of the Superior Wisconsin **Peptomist** laughed at this:

"It's the little things in life that tell," said the girl as she dragged her kid brother from underneath the sofa.

Uh-huh, we think so, too.

* * *

Queer laws are often used as feature sources. The **Foghorn** offers:

In California it is against the law to work for nothing.

In Portland, Maine, it is forbidden by law for anyone to tickle a girl under the chin with a feather duster.

At Brea, Ohio, no animal may go out after sundown without a tail light.

In the state of Maine, there is a law against setting a mule on fire.

* * *

Chico State woman-haters have organized a Bachelor's Club on the campus. The fellow elected to the presidency swears he has not had a date in five years. Wonder what's the matter with him—can the club be sour grapes?

* * *

Washington state contributes some famous sayings (with a collegiate twist):

A fool and his money are some party.
There's no time like the pleasant.
Eat, drink, be merry, for tomorrow we diet.
The pay's the thing.
Marry in haste and repeat in leisure.
Fools rush in where angels fear to wed.

English Notices

For the first time in the history of the college, a Subject C examination in speech, the passing of which will be required of all students before they are admitted to practice teaching, will be offered to the students, on May 8 and May 15.

This requirement goes into effect with the students who are to enter practice teaching in the fall of 1937. All students who must pass this test this spring should see Miss Casebolt in Annex B2 immediately for appointments.

Make appointments with Miss Casebolt today.

Gaters Shut Out By San Jose, 8-0

Carpenter Chucks One-Hit Game to Blank Gaters First Time in 2 Years

Meeting what will probably be their toughest opponent of the season, State's baseballers were trimmed 8-0 by the San Jose State nine on the Spartan's home lot last Saturday afternoon.

Inability to hit, coupled with the somewhat erratic pitching by Owen Jones were the direct causes for the Gater's first defeat of the year. Bill Abbey, leading hitter on the squad, got the only bingle of the day off the San Jose hurler, Art Carpenter; Abbey doubled to right in the seventh.

THREE REACH FIRST

State played good ball in the field, but they met a team that was hot and just couldn't get started. Only three of the locals reached first during the contest and only one got as far as third.

Hitting stars for the Spartans were Dickie Main, Les Carpenter, and Burt Watson, who accounted for seven hits and six runs between them.

This was the first time that State has been shut out without a run in over two years.

WILKES FIRST ON

Not until the third inning did the Purple nine get a man to first base. Kenny Wilkes was safe at the initial sack when the Sparta short stop kicked a hot grounder; Kenny went to second on a passed ball, but was out at third on an attempted steal.

San Jose scored in the first inning. Main led off with a single and circles the bags on Les Carpenter's long triple to center. They added two in the third on hits by Carpenter, Watson, and Luque, and then mounted the score with tallies in the fifth, seventh and eighth.

Menlo Trounced In Gater Slugfest, 14-9

Spotting Menlo Junior College an eight run lead before finally winning out, the baseball team beat the J. C. 14-9 in another slugfest at the Palo Alto City diamond last Friday.

Coach Hal Harden wanted to give his second string a chance to shine so he started practically every one of them, and they along with Andy Gavron's wildness treated the Jaysee to nine unearned runs in the first three innings while they could only get one themselves.

In the fourth Harden sent in the first stringers, and then the fire works started. Much credit for State's victory must be given to George Bogdanoff, who relieved Gavron on the mound in the third inning. Bogie was really hot, allowing one run and five hits in five full innings. Kenny Wilkes and Hal Wood cracked out four hits each, while Bill Abbey got three for three.

Tennis Team Drops Bronco Match

State's racket-wielders dropped their fourth consecutive match in the N. C. I. Tennis League last Saturday to the visiting netmen of Santa Clara, 6-3. The matches were held on the Palace of Fine Arts courts.

The Gaters looked well on its way to an initial victory by winning the first three of the nine tussles. Ronnie English, number one man with a habit of winning with surprising ease, knocked over Bronco Dodd to the tune of 6-1, 6-1.

English then joined with Doug Crary to defeat Dodd and Kauffman of Santa Clara in a doubles match with the same ease, 6-1, 6-2. The Gater annexed the third point through a default in the doubles play.

With the three wins behind them, the Golden Tide looked like it was really going to roll for the first time in the league play. However, the Broncos immediately settled down to business and took the next six matches in a row to sew up the battle.

The summary follows:

Singles: English d. Dodd, 6-1, 6-1; Lewis, SC, d. Crary, S, 7-5, 6-3; Sullivan, SC, d. Kavanagh, S, 4-6, 6-4, 6-2; Fuller, SC, d. Morrison, S, 6-0, 6-3; Turturici, SC, d. Treverow, S, 5-7, 6-4, 6-1; Kauffman, SC, d. Rosen, S, 8-6, 6-1.

Doubles: English and Crary, S, d. Dodd and Kauffman, SC, 6-1, 6-2; Sullivan and Lewis, SC, d. Evers and Vogulkin, S, 6-2, 6-2; Kavanagh and Rosen, S. d. Fuller and Turturici, SC, default.

Staters To Meet California Cubs

Meeting the University of California Cinnamon Bears at Roberts Field today, the Golden Gater baseball team will attempt to hang up another victory, adding another victim to its long list of defeated opponents.

The Cinnamon Bear team is Cal's second team, composed of players who will eventually move up to the varsity. The little Bears are a good ball team, making a worthy opponent for the Purple tossers.

For the last two seasons the locals have held their own with the Bear Reserves, winning 7-4 in 1935 and last year playing a 2-2 tie. The latter game unfortunately ended with a crash at the home plate, which resulted in a broken leg for the Cal. player, Fitemyer.

Riding high on the wave of victory, the State team will have the advantage of its home field. The pitching assignment will probably go to George Bogdanoff after his fine performance against Menlo in the role of a relief hurler. If Bogdanoff does not hurl, Owen Jones may.

YOU WOOD PINE TO BUY AN ANNUAL IF YOU COULD SEE IT.

TRACKMEN WIN 80-42

Daryll Hopkins Takes 20 Points to Lead Team in Victory Over Santa Rosa

Squad Shows Strength in Field Events as Nine First Places Are Credited to Golden Tide By Scorers in Junior College Meet

By Ed Smith

And so State really does have a track team. Contrary to rumors that have been spread about of late, the fact manifested itself last Saturday when the Gater cinder stars thoroughly worked over the Santa Rosa Bear Cubs to the tune of 80 to 42. The score itself is indeed a surprise but more so were the marks set by the Gater squad.

Daryll "Hoppy" Hopkins, definitely ensconced in the role once played by Runar Stone, was the big noise behind the roar of the Golden Tide. Garnering 20 points, "Hoppy" took top honors in the high and broad jumps, and in the high and low hurdles.

The fact that the new "Iron-Man" took the broad jump is indeed surprising as Hopkins is not supposed to be very adept at this sort of thing. Although the winning distance was only twenty feet, the victory holds hope for the future.

However, it was in the low hurdles that Daryll made the spectators sit up and take notice. Running against little competition and after a long lay-off, he skimmed the timbers in the remarkable time of :24.2 seconds which is mighty fast in anybody's language.

COTA WINS MILE

The next biggest surprise came in the mile rune in which Bob Cota, who was running distance races before he learned to walk, nosed out "Biff" Shreeve with a time of 4:40.3. The Gaters took a clean sweep in this event as Fred Kline finished third.

State's surprising power in the track events was in reality the nucleus of the Gater victory. Errol Evans, Jim Hopkins, Daryll Hopkins, and Frank Collins completely swamped the athletes of Santa Rosa in the sprints. Ronnie Lindlow, Bob Robinson, Frank Collins and Fred Kline impressed in the middle distance races.

POWERFUL TRIO

In addition there is plenty of power in the trio of Cota, Kuder, and "Biff" Shreeve in the long-winded events. Dick Hurst and Steve Ebert loomed as potential stars in winning the javelin throw and shot put respectively.

All in all, Coach Dave Cox has a track team which would be perfectly balanced except for a glaring weakness in the pole-vault event. Cox expects to iron this defect out in time for the Modesto tussle scheduled for this week-end.

Summary

100-YARD DASH—Won by Evans (S. T.); Minitsky (S. R.), second; J. Hopkins (S. T.), third. Time, 10.4 seconds.

220-YARD DASH—Won by Minitsky (S. R.); J. Hopkins (S. T.), second; Collins (S. T.), third. Time, 21.9.

440-YARD DASH—Won by Lindlow (S. T.); Orloff (S. R.), second; Leavitt (S. T.), third. Time, 52.7.

880-YARD RUN—Won by Kuder (S. T.); Cota (S. T.), second; Whitehead (S. R.), third. Time, 2:02.

MILE RUN—Won by Cota (S. T.); Shreeve (S.T.), second; Kline (S.T.), third. Time, 4:40.3.

220-YARD LOW HURDLES—Won by D. Hopkins (S. T.); Manhurin (S. R.), second; Nipress (S. R.), third. Time, 24.2.

110-YARD HIGH HURDLES—Won by D. Hopkins (S. T.); Manhurin (S. R.), second; Nipress (S. R.), third. Time, 15.9.

BROAD JUMP—Won by D. Hopkins (S. T.); Evans (S. T.), second; Fellers (S. R.), third. Distance, 20 feet.

HIGH JUMP—Won by D. Hopkins (S. T.); Nipress (S. R.), second; Hurst (S. T.), third. Heighth, 6 feet.

POLE VAULT—Won by Nowles (S. R.); Gleason (S. R.), second; Mattson (S. R.), third. Height, 12 feet.

SHOT PUT—Won by Lyman (S. R.); Ebert (S. T.), second; Pantages (S. T.), third. Distance, 44 feet.

JAVELIN THROW—Won by Hurst (S. T.); Cordoro (S. R.), second; Thompson (S. T.), third. Distance, 158 feet 6 inches.

DISCUS THROW—Won by Ebert (S. T.); Hrust (S. T.), second; Lyman (S. R.), third. Distance, 120 feet.

MILE RELAY—Won by State (Robinson, Leavitt, Collins and Lindlow). Time, 3:35.6.

Profs Pound Pellet

* * *

Prepare For Battle

* * *

Play Ball On Field

Those amazing professors are at it again.

No backwardness here, they have challenged the college in an indoor baseball game which will take place on the upper field tomorrow at eleven, and the entire student body is expected to turn out for the battle.

As yet the undergraduates' lineup is not known, but for the Profs, the following bat swingers will take their turns at the plate: Dr. Len Ascher, Dr. Ted Treutlein, Dr. Herz, Hal Harden, Dan Farmer, Dave Cox, Leo Nee, and Dick Davis.

The contest is slated as a warmup for the faculty men, as they will play the champs in the intramural league later and they want to be in top shape for the game.

Stater Tennis Team Travels South Today

By Tim Guiney

Stop me if you've heard this one before, but the State tennis team left bright and early this morning for the famous Valley of the Prune, there to tangle with the far too capable racquet wielders from San Jose State College, in a crucial match to decide whether San Francisco stays in the cellar and San Jose on the top, or voosa voosa.

If things turn out they way they are expected, the local boys will start hitchhiking home at about 4 o'clock (P.S.T.), decked out in natty, cutaway barrels, fitted out with shoulder straps that serve two purposes: 1, they give the boys a certain debonair, somewhat jaunty attitude; 2, the wear and tear of holding a barrel around you with both arms gets awfully tiring after awhile. I am convinced that the man who thought of shoulder straps for barrels was a genius, and should be voted a reward by the ex-council.

On the other hand, I may be wrong. Maybe our boys will come home in Pierce-Arrows, surrounded by boxes and boxes of prunes presented to them by ardent admirers. The decision will probably rest either way on the work of Billy Hammond and Doug Crary. About Ronnie English, we don't have to worry. The guy is undefeated in three years competition, and I would not be surprised if he went three years more.

But what we can't forget is that the prune-pickers from the South are going to be tough to beat, inasmuch as they are at present riding the crest of the wave that is sometimes referred to as the Northern California Intercollegiate Tennis Association, a long name even in shorthand.

Coach Dan Farmer will also be pinning his hopes on Lu Morrison and Rod Kavanagh to stay in there and pitch with 'em. It's the battle of the century. The Golden Tide against the Sun-baked Prune!

Westminster Holds Conference April 23

A Setting-Up Conference in Marin County will be held by the Westminster Club April 23 and 24. The members will leave Saturday morning and return Sunday evening. The Bolander summer home is to be the scene of hikes, swimming, boating, games, and campfires and of great importance will be the spiritual discussions conducted by Dr. Fisk. The number going is limited to thirty and all planning to attend are asked to sign up in the Co-op. Each member is to bring two blankets and the cost of the trip will amount to about two dollars.

Rally In Gym Friday

During the noon hour, Friday, April 9, there will be a rally honoring the State-Athens Club Baseball game at Roberts Field the following day. There will be community singing, five new acts, and a pep talk by Hal Hardin.

The Rally is to be held in the Gym.

Phi Lambda Initiates In Campus Hell Day

"Hell Day" will be Friday, April 9th and is sponsored by Phi Lambda Chi. At that time eighteen young damsels will flaunt their charms before the remainder of the student body.

The committee in charge of the frolic is headed by Dawn Wilson and Kay Bailey and they promise a spectacle for all interested by-standers from nine a. m. to six p. m. on Friday evening.

Sigma Rho Holds Birthday Party

An anniversary bridge party will be held by Sigma Rho Gamma on Friday evening, April 16 at the home of Hortense Taylor. It is to celebrate the first anniversary of the organization on the campus. Tickets will sell for twenty-five cents and each member is asked to bring at least one table. Anyone interested in attending is asked to get in touch with Alice Denhard, president of the club.

Building Campaign Gets New Impetus At Capitol

Word that prospects on the current building campaign involving in excess of two million dollars appropriation for new buildings were brighter than ever came from the members of the strategy committee late last Monday.

Will Smith, member of the committee, said, "I think real results were obtained during our last trip to the capitol. Now that the other State colleges have withdrawn in our favor, smoother sailing should be assured the bill in its trip to the Senate finance committee. I think also that the presence of John J. O'Toole, city attorney for San Francisco had a profound influence on the members of the Ways and Means committee. Assemblymen Maloney and Mc-Murray also put in some good plugs for us."

Announcement will be made in the Gater of any further contemplated trips to the state capitol in furtherance of the bill.

P. A. A. Conference

On Monday, Tuesday and Wednesday of the Easter Week, the Leaders in Art of the Pacific Slope, under the name of the Pacific Arts Association, were having their annual meeting at Yosemite. Miss Evelyn Mayer, counciler for three years, Miss Grace Carter and Miss Susan Benteen were the representatives from State.

Each day the leaders heard a different point of view on art on the integrated program. On Monday Miss Helen Hefferman told the point of view of a state director of Elementary Education. Tuesday, Mrs. Lydia Fuller Largent, Supervisor of Art in the San Francisco Public Schools, illustrated from the art project in the Franklin Public Schools How the Integrated Program Rose From An Art Problem. On Wednesday, Grace Carter, principal of the training school, gave the principals' point of view. Seven portfolios were brought from State and one portfolio from Frederic Burk.

Each day a different school had charge of the program. Fresno made the cover design for the program, having the winter sports of the Yosemite for the motif. The Art 10 Class at State made the place cards for the Wednesday night dinner. U. C. L. A. also contributed some place cards.

One exceptionally interesting item was an evening of movies on Industrial and Creative design. Some Surrealistic pictures were brought in. "The Starfish" by Man Ray, and "The Ballet Mecinique", by Ferand Leger were worth seeing.

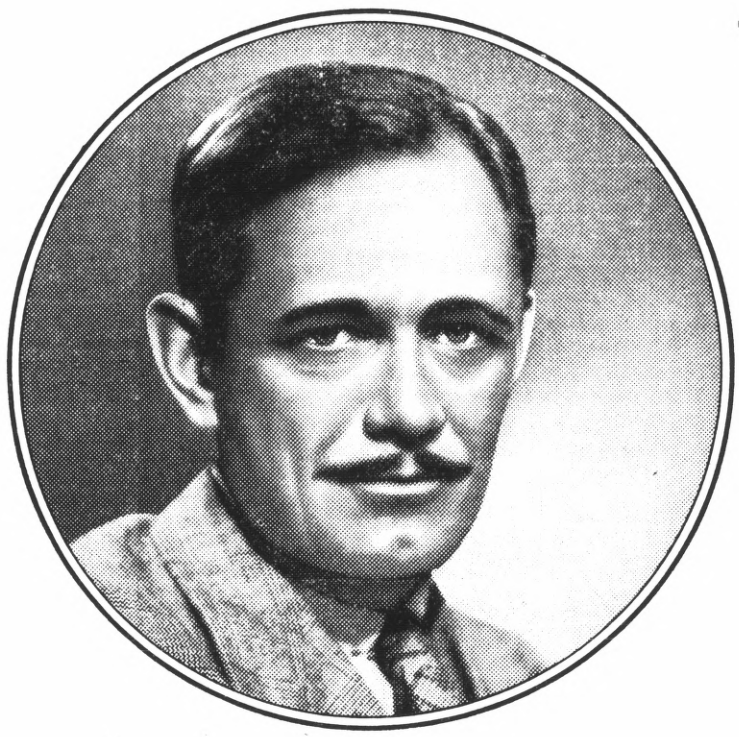
The Awahnee was the headquarters for the meetings.

"It was an awful temptation to stay inside, because it snowed fourteen inches while we were there," said Miss Mayer.

REFRESHING AND STIMULATING, the 1937 Franciscan.

Philip Merivale says:

"My throat's grateful for Luckies —a light smoke"



"In one of the first important parts I did in America, the play called for a long and very trying individual performance. In every scene for five full acts I was on stage talking almost continuously. The strain made it imperative that I safeguard my throat and voice. After trying different brands of cigarettes, I came across Luckies. They stood the test and for many years now I've enjoyed them. I like the taste of Luckies and my throat is grateful for a light smoke."

Philip Merivale

An independent survey was made recently among professional men and women—lawyers, doctors, lecturers, scientists, etc. Of those who said they smoke cigarettes, more than 87% stated they personally prefer a light smoke.

Mr. Merivale verifies the wisdom of this preference, and so do other leading artists of the radio, stage, screen and opera. Their voices are their fortunes. That's why so many of them smoke Luckies. You, too, can have the throat protection of Luckies—a light smoke, free of certain harsh irritants removed by the exclusive process "It's Toasted". Luckies are gentle on the throat.
